Mrs. Russell,
 This is the first year
 I have ever really
 enjoyed English. you
 really make kids - excuse
 me - children think.
 I wish there were more
 teachers like you in this school
 then ~~there~~ there would be no
 high school drop-outs. Maybe
 I'd better not sign my name
 to this because you might think
 I'm trying to brown you up. But,
 I do not over believe me. I
 really mean it.

I've learned so much
 this year. I hope that
 in the rest of my school
 years I will have at least
 one more teacher who has
 all of the qualities you
 have. Thanks for a great
 year. Karen Pandell

Be good. And good luck.

NISKAYUNA

Mrs. Russell, the influence that your classes has had on my life cannot be described in any language. The opinion of my ten years in school, this has truly been the greatest English I have ever sat through. Thank you. With great respect,
Gail Hughes

Mrs. Russell, this one year English class has been the shortest I have ever had. I have learned a lot of fun and had a lot of fun doing it. Thanks for everything. See you,
Pat Swartz

Thank you for the great English class. I have learned a lot of fun and had a lot of fun doing it. Thanks for everything. See you,
Pat Swartz

Mrs. Russell:
 It's been a full year
 since I taught your
 poetry class but it seems
 like yesterday. Every once
 in a while I open a drawer to
 find a paper on Macbeth or something
 else we read last year and I recall
 all those late nights I spent working for
 you. It was a pleasure, though, because when
 a student gives a teacher, not a moment of work
 is too much. Thanks for giving me the
 "protagonist" encouragement. It meant quite
 a bit to me. My best to the finest teacher
 I've ever had.

Mrs. Russell
 I hope that I
 hope you next year.
 I hope that life brings
 you and yours all
 that it has to offer.
 I'm very happy and
 proud to know such
 a wonderful person
 as Mike Pooley

Mrs. Russell,
 I've really enjoyed you.
 You are the best teacher
 I've ever had. I wish I
 could have you next
 year. This is a year
 I'll never forget.
 Love,
 Mary Ann

Four, fun filled years at Niskayuna High School will reach their zenith this June for the class of '65. Before we separate in search of new goals let us catch, in words and pictures, a few of the highlights which have marked our years together.

This book is addressed to you, the real-life characters who have posed for these pictures, lived the "copy" and enjoyed the years packed with education, self-government, and extra-curricular activities.

Happy Memories!

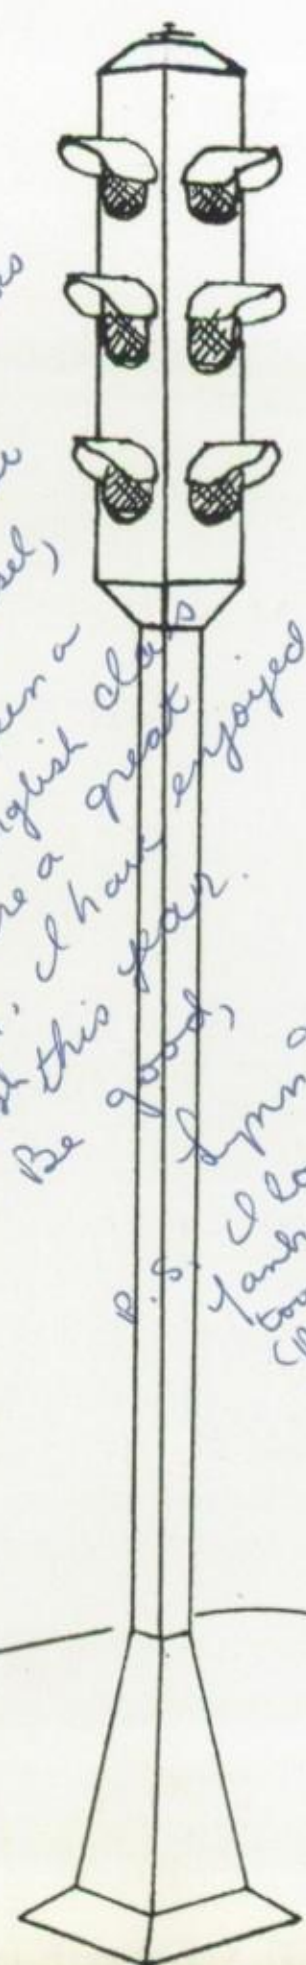

The Crossroads Staff

Mrs Russell,
To one of the
greatest teachers I've
ever had, I've really
enjoyed and learned a great
deal in English this year. I
hope that all my teachers in the
future will be just as good as you were.
Your daughter is really lucky to have a mother
like you. I hope you have a very happy future.

Ellen MacKinnon

Mrs. Russell,
This has been one
of the most interesting English
classes I've ever been in; your
stories related to our subjects
so perfectly! I hope you will
have many more years in NHS
and that they all be happy +
successful!
Best of happiness in

Dedicated

to . . .

You inspire us with your enthusiasm, share your thinking with us, and join us in laughing at your "Chinar" and your "Cubar". You encourage us to enjoy our research and writing. You urge us to work to the limit of our ability, but you know we are busy. In class and in Student Council you stimulate us to think and to make our own decisions. You trust us, you praise us, you challenge us to set our goals ever higher.

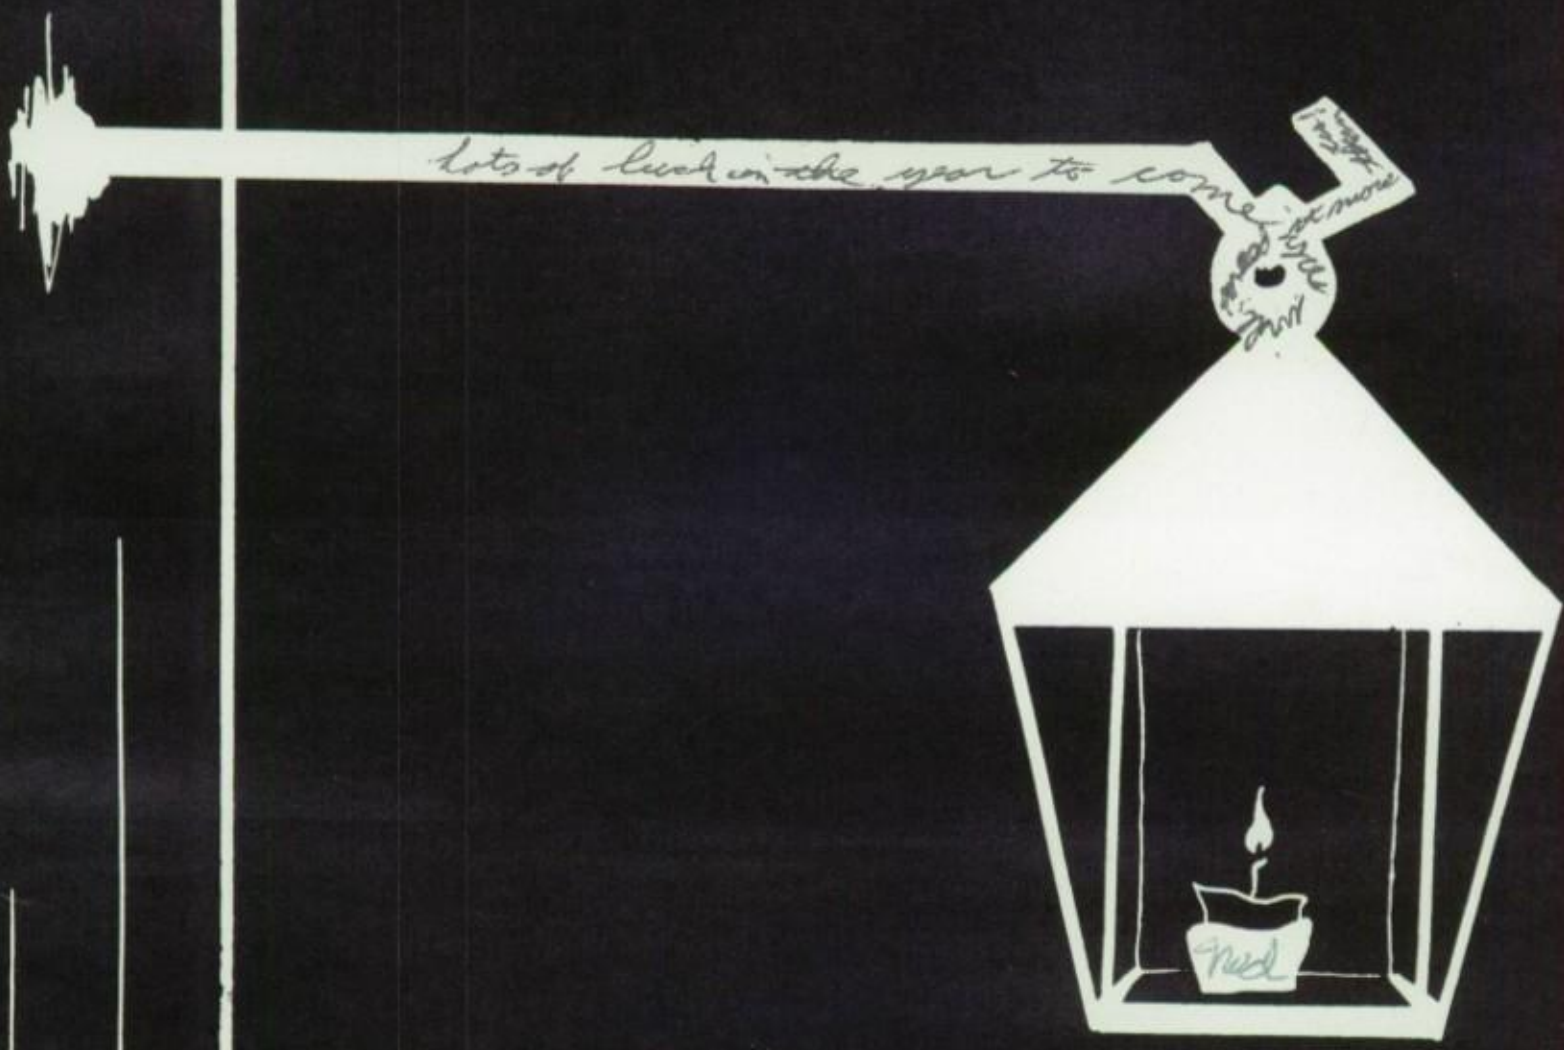

In gratitude, Mr. Shea, we dedicate to you our Crossroads 1965.

SENIORS

Class officers and advisors, l. to r.: Mr. Anderson (advisor), Art Newkirk (Treasurer), Joan Thompson (President), Steve Karp (Vice-President), Mr. Loggins (advisor), and Judy Fox (Secretary).

Seniors

Blue senior ID cards now replace Schultz and Dooly buttons as status symbols. Despite our lofty position, we seniors catered to the underclassmen at the Senior Night Club. We are the class that introduced the "Greaseballs" to NHS. In our junior year we livened up an evening with our gingham and denim dance. The year before we held a gay and definitely different class party. Three years ago we were frightened freshmen, and next year . . . well, what goes up must come down. (We'll be freshmen again.)

MR. ANDERSON
(Class Advisor)

The class of '65 thanks Mr. Anderson for his support of our class activities and his willingness to help us with all of our projects. We also appreciate the assistance Mr. Loggins has given us in our senior year. We hope that their efforts to guide our class will be reflected in our future achievements.

Sezin . . .

My dear friends at Niskayuna,

I am very happy to have an opportunity to say thank you very much for being such wonderful friends to me. I will never forget all of the great times that you made possible for me.

I hope one day all the people, no matter who they are or where they are from, will be very close friends like we are now. Also I would like to thank the American Field Service and especially you students who are supporting it at the High School.

Love,

Sezin

*Mrs. Russell
I usually don't
enjoy English but
you've made this
year an exception.
Have a great summer.
Frank Buenaguis*

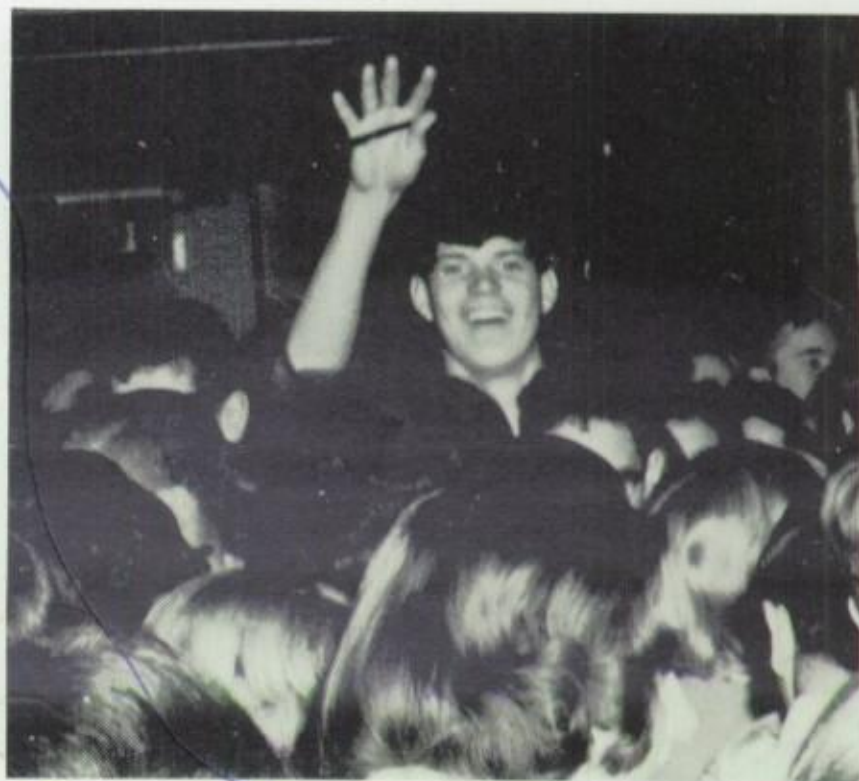

Sophomores

We sophomores have reached the halfway point at Niskayuna. We are one-half freshman enthusiasm and one-half senior sophistication. Already we have contributed to our high school. We are proud of our skilled athletes and our talented artists. We are proud, too, of our class spirit: what soph can forget the pickle sale and our many, many sock hops?

Mrs. Russell - I've had many English teachers in the Niskayuna School System, but you are by all odds the best. You didn't teach us English: you taught us everything (art, etc.). I personally shall never ever forget you for the quality of your teaching, the reviewing of my scribe articles, and your wise guidance in Council. More than ever, I'll always remember you as a real good friend.

Class officers and advisor, I. to r.: Pam Watson (Secretary), Miss Finn (advisor), Cindy Rhoades (President), Steve Buening (Vice President), Mr. Wright (advisor), Mike Wiersma (Treasurer).

To the Best Eng teacher I had in 10th grade I'll bet we had the best brow of all your classes Go, and Roger

 Have a wonderful summer, don't forget the Poet's Corner. It was a wonderful year. I never enjoyed being put down so much. I learned more English than ever before and it was fun (except for my Poe report). You are a wonderful person and a great teacher but the Yankees don't have a chance to win the pennant.

Niskayuna Captures Council Title!

Mrs Russell - Good luck to a great teacher and friend. I have enjoyed(?) every day that I have been in your class, like two years worth. I hate to leave you this year (I hope) and its been a grand time.

The Varsity Football Team had a very successful season despite being plagued with injuries toward the end of the season. The team compiled a 5-1-1 record which earned them the suburban council championship for the fourth time in seven years. The Niskas rambled over three suburban council foes before being tied by Bethlehem Central 7-7. They bounced back to defeat Colonie 33-7 and Mohonasen 7-6 to clinch the title. The only loss of the season was dealt by unbeaten Scotia, the arch rival, who knocked off the Niskayuna squad in the season finale. Steve Schoonover sparked the offensive for the Warriors; his running, pass-receiving, and kicking abilities earned him a berth on the All-County team. Steve tallied 89 points on twelve touchdowns, fourteen extra points, and one field goal—the second highest score in the county. Bob Cliff, Steve's running mate, was the most versatile ball player for the Warriors. Besides being a strong running threat, Bob was the best blocker and tackle on the team. Don Pray quarterbacked the team and was instrumental in

many of the scores. Pray and Cliff were the Co-Captains for 1964. Jeff Morray and Jim Anderson shared the fullback slot, both doing an outstanding job. The line was anchored by Rob Wall and Bob Levine, two bruising tackles, Larry Swank, Dave Lambert, and Frank Salamone provided a tandem of experienced guards. Ross Fritschler manned the center position and was acclaimed by Coach Boothe as the "best Nisky center ever." Jack Faddegan, Steve Goodman, and Bob Costantino were the mainstays at end, Costantino working both on offense and defense. Aram Atashian, the defensive specialist, quarterbacked the defensive unit from his linebacker position. The team suffered two early season casualties which proved very costly. Jim Sheridan, a 250-pounder, was lost in the Guilderland game because of a broken wrist. Sheridan seemed to be a shoo-in All-County prospect. Alan Levine, a defensive demon, suffered a concussion and was forced to miss the last five games of the campaign.

Cross-Country

This year's cross-country team did a noteworthy job on the turf and asphalt around Schenectady. Under the direction of Coach Howley and led by its venerable captain Doug Wanty, the harriers picked up their first trophy in four years at the annual Cobleskill meet by taking first place. At the Sectionals in Central Park, the team pulled far enough in front of the rest of the stampede to claim second place. In a dual meet, Mohonasen was thoroughly whipped.

This year also saw the end of four distinguished years of cross-country winning for Doug Wanty. The other Varsity regulars Harvey Simmons, Tom Pfaffenbach, Dave Coons, Bob North, and Rick Graff backed up Doug's efforts. Unfortunately, Bob North, a top runner for the team, had to miss the last three meets because of a leg injury. Graff is a freshman who shows great promise for the years to come. Simmons and Pfaffenbach, too, will be valuable members next year.

The Niskayuna soccer team started the season off right by beating Mohonasen, breaking the Mohons' 33-game streak. However, the Council proved to be the toughest ever. The team's record, 4-7-1, is no indication of its ability, for each game was a closely fought-out thriller, with several going into double overtime for a decision. Prospects for next year look good, since several key lettermen will be returning for action. Coach Gifford looks to a fine upcoming season. He will be supported by recruits from the Council-champion J.V.s, coached by Mr. Dammer.

Little known among Niskayuna's varsity athletes is the bowling team. Manned by six stalwart individuals—Fred Cullen, Gary Stanco, Al Blitzblau, Tom Kaiser, Jeff Valginaitis, Bill Leader—it earned renown by winning only one match. Though lacking in skill, the team prides itself on spirit, sportsmanship, fair play, good manners, and a remarkable control of emotions.

FRESHMAN—Bottom row, l. to r.: Gary Knackmuhs, Jim Bazlen, Pete Lee, John Wilson, Mike Werner, Pete Groff. Top: Chip Gordon, Ben Olds, Coach Carr, Brock Roben, Dennis Bradt.

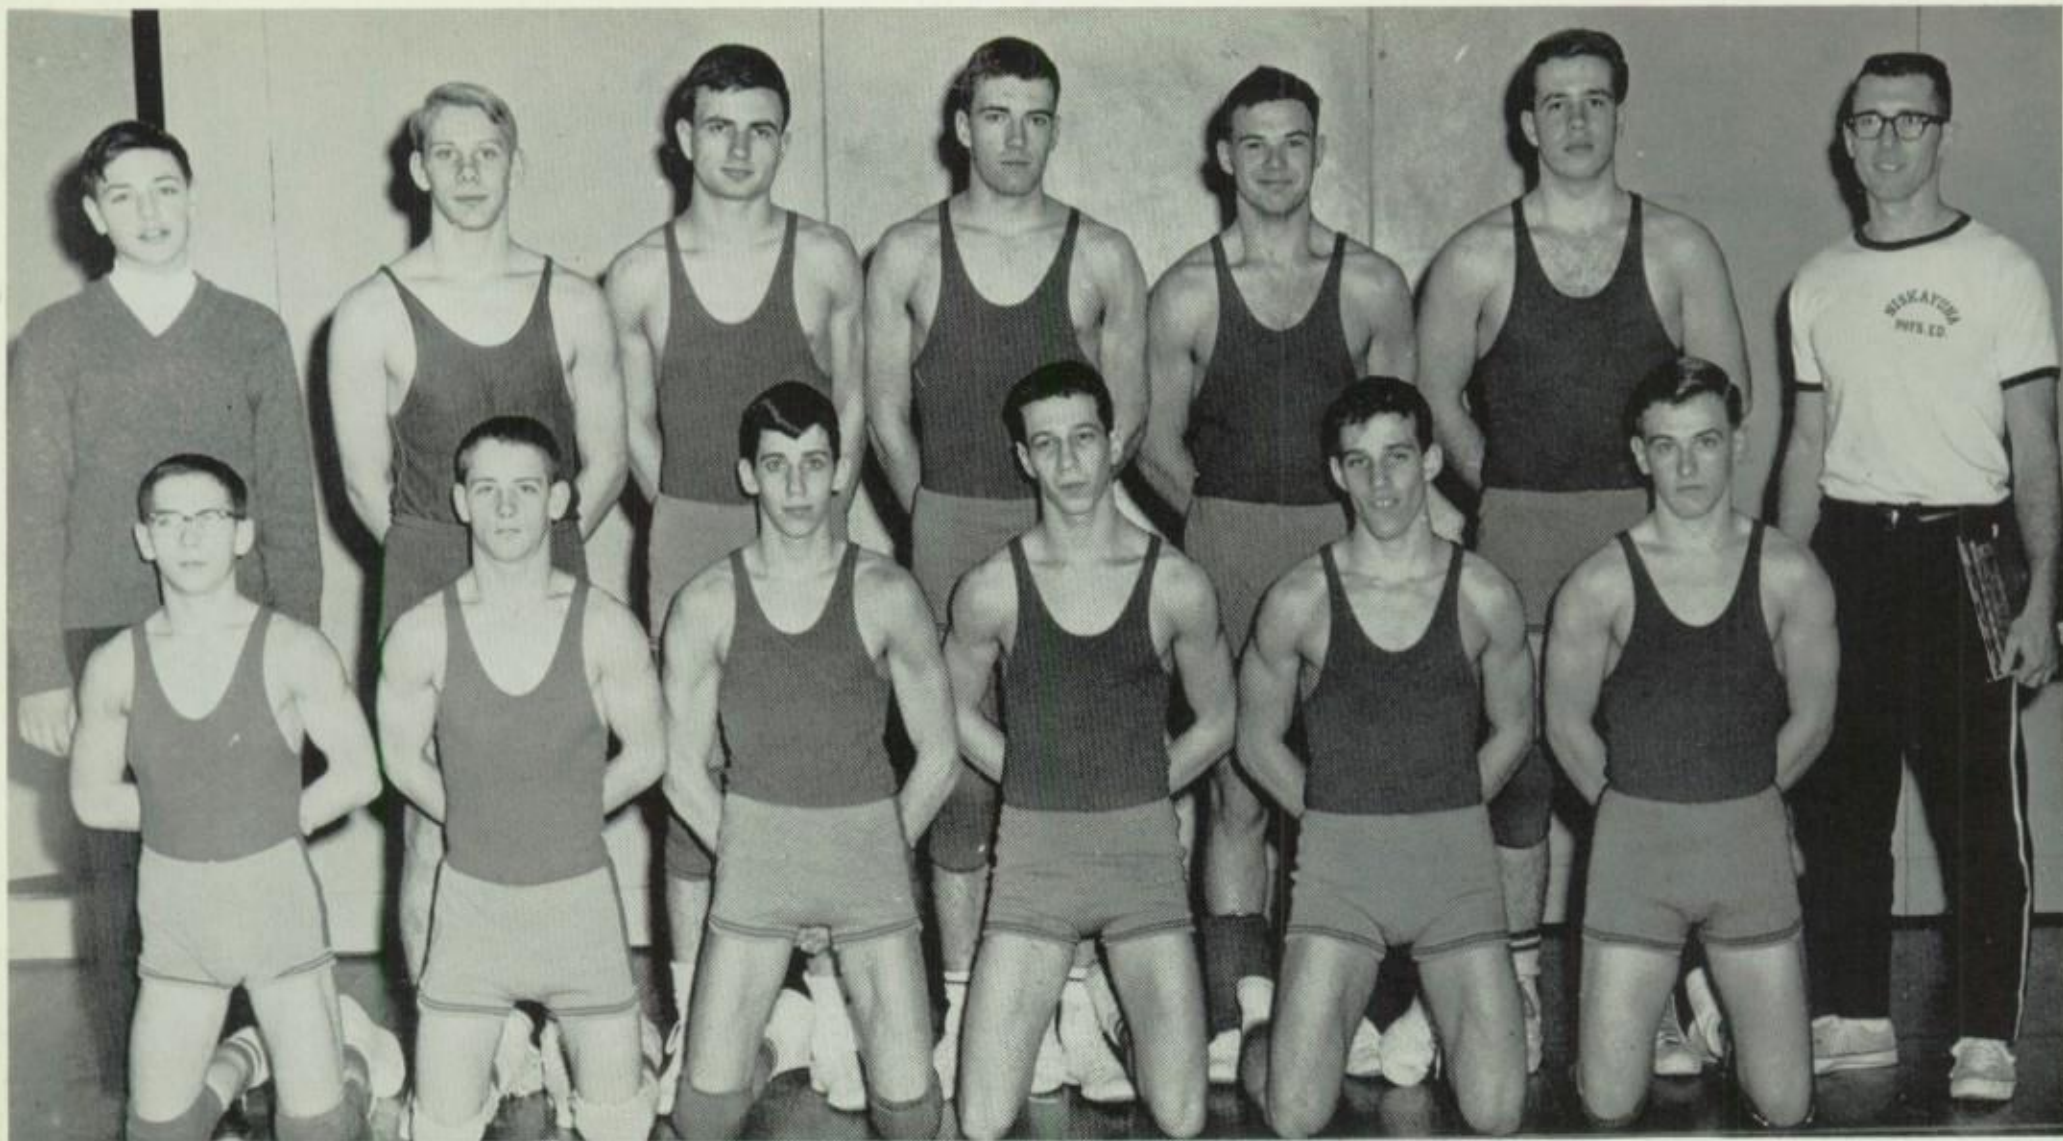

This year's basketball team, one the school can be proud of, compensated for its lack of height by good outside shooting, by rebounding that surprised several teams with more size, and by a fast break which utilized its asset of team speed. Another important factor in the Warriors' excellent season was their desire to win. This desire was shown particularly in the Gloversville game. Although the Warriors lost, they forced their opponents, who had an unbelievable shooting might, to struggle to the finish. The team's desire to win was also exhibited in the second Colonie game and the second Guilderland game; in both games, NHS came from behind to win. Besides desire, the Warriors had poise. In both the Scotia games and in the first Schalmont game, they proved they could keep a lead under pressure. Indeed the greatest factor in making this a season with three losses rather than one with six or seven was the winning of all the close games.

The players are the components of any team. Don Pray, Jim Fox, and Don Roedel formed the versatile trio that supplied the team's scoring punch. Art Newkirk, Bob Buhrmaster, and Don Donnalley held the fore court positions and gave the team its important rebounding strength. Steve Schoonover held center back court position as the team "quarterback" and Jim Emery and Steve Goodman capably filled out the back court. Both Doug Wanty and Mike Smialek sustained injuries that limited their season's performance, but Ron Roedel recovered from a broken ankle and proved an able replacement all over the court to round out the team's scoring threat and overall balance.

The Junior Varsity Squad also fought their way to an outstanding record of 12 wins and 4 losses. The J.V. was led by the shooting skill of Jim Anderson and Dale Chapin, the pass-work of Sel Crary and the rebounding of Mike Wiersema and Chris Anderson. Reserves in the back court included George Feiker, Stan Groggins, and Steve Orcutt. Charlie "Thumbs" Johnson, and Mike Mullaney were the leading substitutes for the fore court players.

Top: Mike Middleton, Dave Buckbee, Larry Manolini, Steve Haines, Ed Hall, Pete Smith, Bruce Siegel.

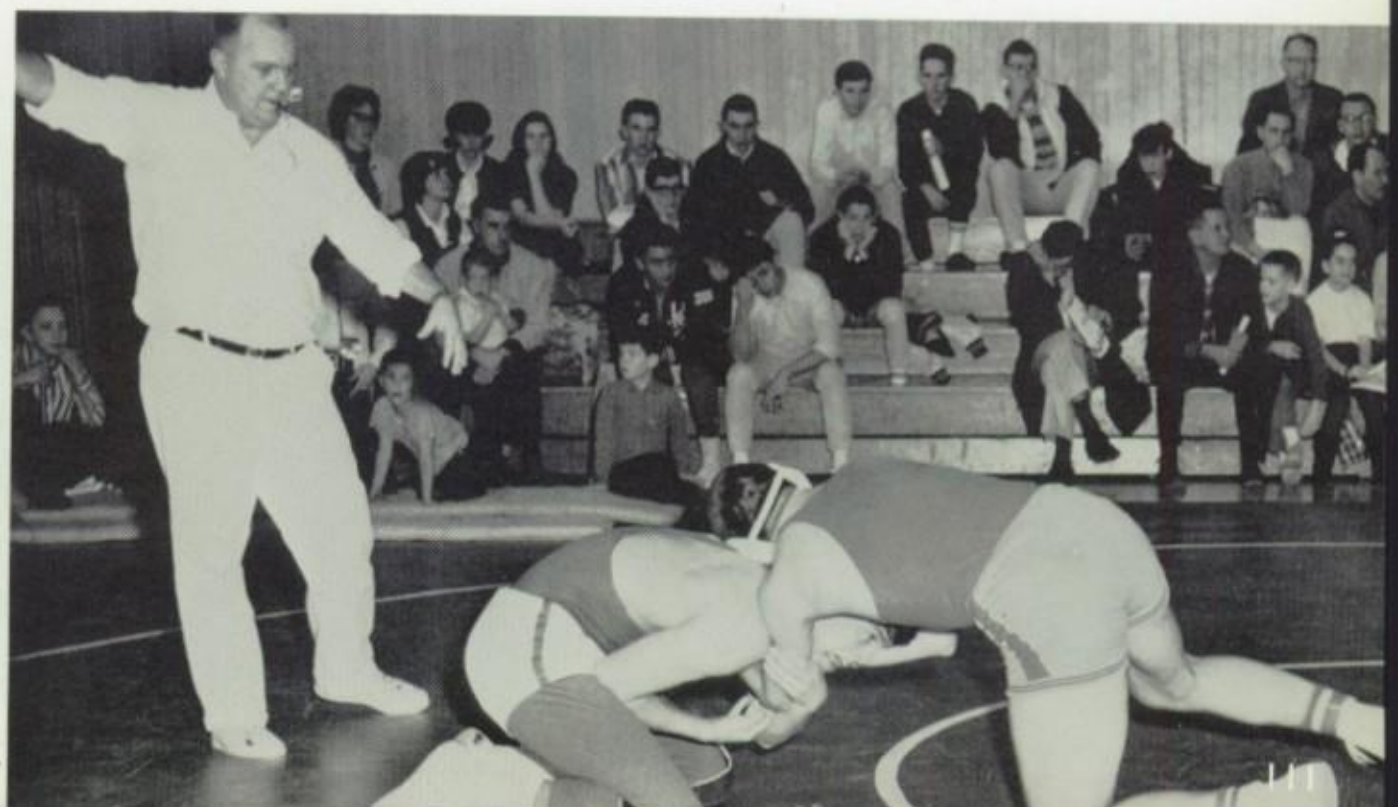

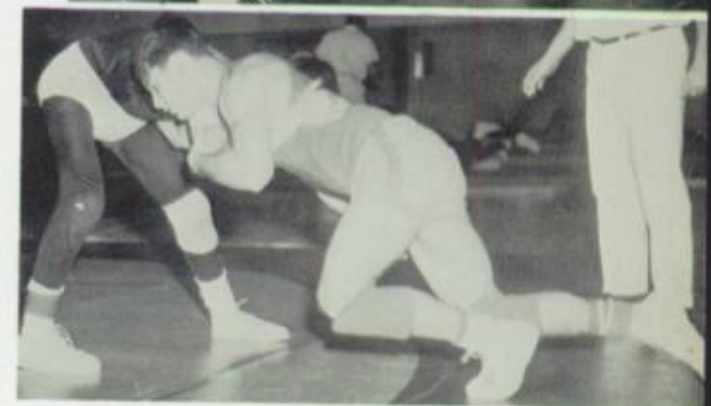

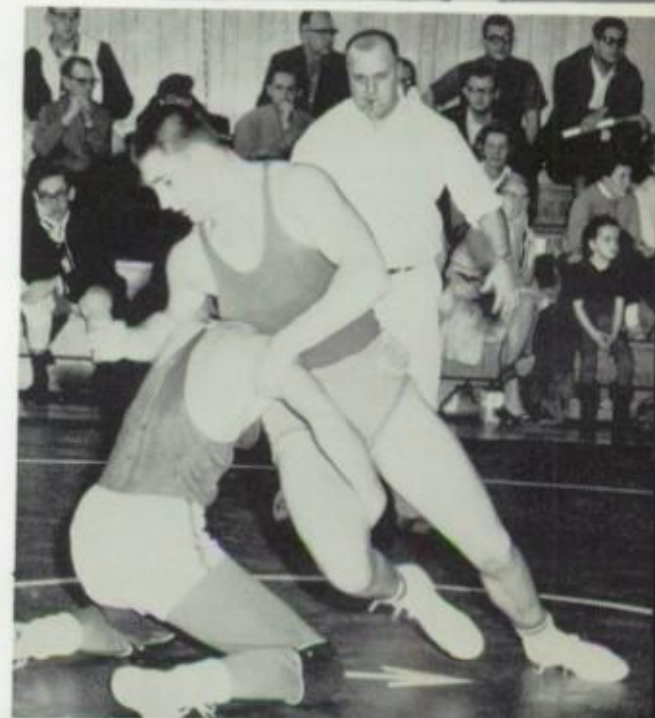

Niskayuna wrestlers have two secrets for success: good coaching and hard work. The coaching is supplied by Mr. Ciabotti and the hard work by the boys. This mixture is responsible for a long tradition of winning with no difference this year. The team grappled its way to first place in the Suburban Council with a win over previously unbeaten Guilderland. Co-captains Jack Faddeggon and Jon Gaynor were unbeaten in dual meet competition. Seniors Dave Lambert, Al Panfil, and Dick Yager also turned out excellent records. Rounding out the picture were juniors Tony Wolff, Vince Obremski, Jim Wood; sophomores Ed Krone, Steve Beis, Chuck Wundt; and freshman Hobart Andrus. Mr. Lipson's JV team also put in a good season. The team won the Suburban Council Championship.

This year's Volleyball team will very likely be successful in returning the Council Championship to Niskayuna after last year's second place finish. Returning lettermen Bob Cliff, Dave Keenan, and Mike Hogan will form the nucleus of a team which Mr. Anderson will fill with members of last year's undefeated JV team. The JV looks like a sure bet after bombing Columbia 15-3 in the first game.

School spirit is one of the most important factors in a successful sports season. A loyal student body and an exceptional cheerleading squad have contributed to greater crowd turnouts and cheering this year than ever before. Our cheerleaders deserve recognition for the many long hours they have spent perfecting the team coordination which results in spontaneous cheering and contagious spirit.

Student Council

The governing body of Niskayuna High School, the Student Council, is elected by the entire student body. This year's president, Dave Corman, has added dignity and formality to the Council. The Student Council's goals are to represent the student body in a democratic school organization, coordinate and promote worthwhile student activities, and provide an effective link between students, faculty, and administration. The Council is host this year to the Association of Student Councils of the Suburban Scholastic Council.

Workers behind the success of the Council: Bobbi Maras, Dave Hecker, Dave Corman, Ron Rivest, Judy Haller, Anne Mehringer, Ned Morse, Bob Miles, Seldon Crary. Advisors: Mr. Shea and Mrs. Russell.

The American Field Service candidates for next year are pictured with faculty advisor Miss Larkin. Dave Wallender is the candidate for the year program and Sydney Landon and Emmy Moravec (missing) for the summer one.

The Presidents' Council is a subdivision of the Executive Council of the Student Council. Consisting of the presidents of every student organization in the high school this council's aim is to develop better leadership and to provide better communication between the Student Council, clubs, and classes.

CITIZEN OF THE MONTH

Presented by the Student Council, the Citizen of the Month award is given to students who are not members of the Council and who have distinguished themselves by making our high school a better place in some way. Through this award, the Student Council seeks to encourage high standards at Niskayuna.

IN APPRECIATION OF MISS EDITH STARRATT

Each of us at Niskayuna is indebted to our teachers for the superior jobs which they are performing. We want to take this opportunity to show our appreciation to Miss Edith Starratt, a wonderful person and a fine teacher. Those of us who have been fortunate enough to study under her realize her genuine concern both for our knowledge of history and for our ability to think independently. Miss Starratt has served not only as a classroom teacher but also as a Student Council faculty advisor. Her thoughtful advice guided us in the formation of Student Council policies. CROSSROADS thanks Miss Starratt for her outstanding contributions to Niskayuna High School.

SCRIBE

MR. PLOUFFE and MRS. LEHMANN

Mrs. Russell - This is an appropriate place for me to write you. I want to thank you ever so much for all you have done for me. Even though I usually won't admit I'm wrong, I am. Everything you have told me is true, and I shall

Niskayuna High School, June, 1965. During the past ten months many changes have transformed the SCRIBE into what it is today. The biggest change was made in the actual format of the paper. This year the SCRIBE has come out twice as often—every two weeks instead of every four.

Changes have also been made in the contents. Thanks to Larry Reagan, a regular cartoon strip featuring Joe Moone has added humor to the paper. Half a page has been devoted regularly to gossip from each of the four classes. There have been two seniors honored in each issue as Senior Specials, and an amusing sports column by Gary

Lowen added to the features. Several pictorial feature stories following the first, "The World of Football," have shown various aspects of life at Niskayuna.

The SCRIBE editors tried distributing the papers during lunch periods, but after the first semester they returned to the method of homeroom distribution. The Christmas issue of SCRIBE featured color, another big first.

The SCRIBE also entered the national Columbia Scholastic Press Contest for all school newspapers.

During March, four delegates from the SCRIBE staff attended a convention at Co-

lumbia University to learn ways to improve the paper.

The SCRIBE established a permanent editorial board to determine the paper's policy. The following were members of the board: Barbara Burgess, editor-in-chief; Carol Strong, assistant editor; Barbi Gibson, news editor; Sue Yates, business manager; Peter Pashler, advertising manager; Marilyn McCulloch, circulation manager; Joe Godlewski, Publicity manager; Kathy Boyd, exchange editor; Gary Lowen, boy's sports editor. With the help of advisors, Mr. Plouffe and Mrs. Lehmann, the staff has produced twenty fine issues of SCRIBE.

try my damnest to correct it! I hope our Scribe problems are solved - they will be. Thanks for all your suggestions. I hope I can always count on your help. God bless you always and keep you as sweet and wonderful as you are now. Love, Barbi

Model U.N.

Model United Nations is an organization whose members study the U.N. In May there is an assembly at which delegations of students represent the various member nations and their views on three agenda items. Typical items are apartheid, colonialism and the admission of Red China. Through research and the debates the delegates gain a greater understanding of world problems.

Peter Pashler has served for two years as vice-president of the Niskayuna Model U.N. He is posing with our advisor Miss Larkin, whose bounteous aid has made the U.N. a success at Niskayuna.

National Honor Society

This year the National Honor Society, headed by Candy Klock, was more active than ever before. It sponsored a dance as well as challenging the faculty to a cerebral skirmish which unfortunately proved to be a defeat for the mighty senior computers. *Front:* (L. to R.) John Greenly (treasurer), Candy Klock (president), Diane Mead (secretary), Mary Young, Mrs. Johnson (advisor). *Second:* Debby McNab, Marilyn Phillips, Martha Knapp, Carol Boggs, Ellen Titus. *Third:* Pat Marks, Pat Herbrandson, Brian Woodard, Alan Blitzblau. *Fourth:* Art Newkirk, Bob Costantino, Gary Lowen, Charles Pigott. *Fifth:* Steve Schoonover, Don Pray, Steve Rosenberry, Ed Barnes. Missing from picture, Steve Brown (vice-president).

Committee of Eleven

These students gather together with Mr. Oakey to discuss common school problems, and to promote more communication between students and faculty. L. to R. Tom Pfaffenbach, Janice Fullman, Dave Corman, Stan Groggins, Doug Wanty, Jeff Donnelly, David Gallagher, Diane Aliferis, Michele Flynn; Mr. Oakey, Caroline Eshbach, Richard Burke (missing from picture)

Niskayouth Executive Board

Niskayouth, a recreational youth canteen, provides entertainment for area students on various Saturday nights. At Niskayouth there is entertainment for everyone: dancing, refreshments, basketball, ping pong, and a movie. Our thanks go to Marge Manning, the advisors, and the board who have done such a magnificent job this year.

Future Teachers of America

The Future Teachers of America Club stimulates the interest of Niskayuna girls and boys in the field of teaching. Films and speakers introduce material in this field and the Cadet Teaching program gives a feeling of what this career involves. This year the group is led by Marilyn Phillips. The other officers are: vice-president—Bruce Allen, secretary—La Verne Dowdell, and treasurer—Carolyn Eshbach. Mrs. Felthousen is the advisor.

Red Cross

The Junior Red Cross is noted for its annual membership drive, the proceeds of which are donated to the national organization. Co-directors of the organization this year are Sydney Landon and Kathy Boyd.

Medical Careers

Members of the Medical Careers Club meet once a month to discover and explore the many occupations in the medical field of today. Students interested in a career in medicine learn about the work of specialists in this field.

Future Nurses of America

Members of the F.N.A. learn about the opportunities and requirements of a nursing career. One of the major activities of this club is its annual trip to a major hospital.

French Club

French students of Niskayuna High School acquire a better understanding of the French people and customs through Le Cercle Francais. This year, as in the past, the club helped French orphans by sending presents to an orphanage in Avernès, France. Through this project, the club attempts to improve French-American relations. This year's officers are: president, La Verne Dowdell, vice-president, Cynthia Panlilio, secretary, Jane Rudisill, and treasurer Debby Kesselring. The faculty advisor is Miss Nault.

Latin Club

The Latin Club, with Miss Peterson as advisor and Helen Gould as president, has been very busy this year. It sponsored a trip to New York City in November and the notorious Sockus Hopus.

Larry Swank, president; Brock Roben, treasurer; Sazin Elci, treasurer (missing from picture) Craig Amerigian, v.pres.

German Club

The German Club promotes interest in German and the German-speaking countries of the world. The members have a chance to see German plays and to meet with other area German clubs.

Spanish Club

Spanish Club consists of students who wish to participate in Spanish cultural and educational activities. In the Spring of '65 the group made a trip to the Spanish Pavillion at the World's Fair. The club advisor is Mrs. Tillson.

I just want

 Glen

Ski Club

Ski Club encourages students to discover the wonderful world of skiing and provides the opportunity to ski at various ski resorts. Every Saturday the eager participants look forward to rising at 6 A.M., journeying to their favorite ski area, and enjoying an unforgettable day on the slopes.

Faculty Advisors: Mr. Schneider, Mrs. Tillson, and Mr. Gifford. Officers: Nancy Holland, Doug Eagan, Jim Fox; (missing from picture) Joel Lindy.

Pep Club

The group whose paramount concern is school spirit is the Pep Club. Spark plugged by their president, Pat Hagadorn, they have helped boost attendance at games 'til the gym is full to overflowing. Its lively members produce the enthusiasm so vital to our games, other sports events and dances.

Debate Club

Left to right: David Stone, David Mackenzie, Mr. Hotchkiss, David Mendelsohn, Robin Cahall.

The Niskayuna debate club continued growing this year. Mr. O'Connor was joined by Mr. Hotchkiss on the coaching staff; Forensic League membership was gained; and young blood, necessary to the organization, was infused through an excellent turnout in the Novice-Semi Experienced ranks. Debaters compiled a very good record at area contests.

Tri-Hi-Y

Tri-Hi-Y's main objective is service. This girls' organization, affiliated with the YMCA, sponsors many worthwhile projects for the school and community. It also participates annually in a state-wide, Bills Assembly in which each club proposes an addition or amendment to the New York State laws.

President: Judy Jakowatz, Vice-President: Pat Baskous, Secretary: Ann Burnett, Advisor: Miss Saulisbury.

Independent Study Committee

This is the ruthless, but necessary, committee which determines the regulations for Senior Privileges. It administers the rules, but the whole class must co-operate to make the program a success.

Creative Writing

The Creative Writing Club works to promote interest in literature and composition. Each year the club publishes a literary magazine, *Les Pensées*, and for the first time this year it sponsored a Creative Writing Contest. This year's officers are Laurie Modrey, president, and Christy Parkhurst, secretary. The advisors are Miss Houghton and Mr. Shipp.

Sketch Club

In this club there are no officers and no scheduled meetings, but facilities and assistance are available to those students wishing to use them.

Sailing Club, one of the high school's newest clubs, is noted for the devotion of its members and for its off-beat, fund-raising activities. The members, led by Commodore Pat Herbrandson, spend their Saturdays sailing, at the Saratoga Sailing Club, in their two boats, a Windmill and a Rebel.

Sailing Club

Sailing is for everyone, from seasoned old salts to landlubbers.

Radio Club

Niskayuna's own radio station WB2AFV is run by a group of energetic boys, all of whom have earned a radio operator's license. With equipment they have made themselves, they have reached such places as Tennessee, Oklahoma, Toronto, and London.

Math Club

Under the guidance of Mr. Walker and Mr. Lipson, Math Club members have the opportunity to pursue their study of mathematics beyond the textbook. At the head of the organization are President Frank Landis, Vice-president Bill Turrentine, and Secretary Virginia Branch.

Audio-Visual Club

The Audio-Visual Club trains students in the correct operation and proper maintenance and repair of the radio-visual equipment. Members of this club are called upon by teachers to operate machines during class time or free periods. Qualified operators are eligible to show movies in the auditorium for Niskayouth and other organizations. The training program is highlighted by a technical tour of the WGY, WRGB, WGFM studios on Balltown Road. Officers are: Robert Herrick, president; George Rocha, vice-president; Jerry Loew, secretary; Paul Ehrlich, treasurer. Mr. O'Neill is the faculty advisor.

School Store

Our friendly school store amidst the crossroads crush . . . here the supplies for our studies are sold. Various students including such notorious seniors as the three Pats—Aragona, Hutchinson, and Carvel—aid Mr. Carr at the counter. Dick Yager and Rod Walker are also able salesmen.

Business Club

The Business Club was formed for students interested in the field of business. The aim of the club is to stimulate this interest and to make the members aware of various business careers. With Miss Louprette as advisor, the club has made several field trips to local business offices.

Senior Show '65

The Broadway musicale, "Good News," was presented under the leadership of our director, Donna Hertz. (Shown here are some of her assistants:) Nancy Danis, Diane Mead, Debby Komp, and Cathy Lindquist.

Dramatics Club

All the excitement of talent show three times a year. All the fun of producing a great show six times a year. And, oh, those cast parties and the New York trip. The club is open to all students, as are tryouts for each play. Each performance gives many students a chance to act, to usher, to work backstage, or to help with properties, costumes, make-up, or publicity.

Advisors for the club are Mr. Jakeman, Mr. Blake, and Mrs. Witkowski. On the Board of Directors are Ellen Welch, president; Barb Gibson, recording secretary; Jerry Loew, treasurer; Marjorie Lucas, vice-president; and Valerie Dahlstedt, corresponding secretary.

Dramatics Club members take pride in doing a good job and enjoy working with other talented people. Besides, Dramatics Club offers material rewards. Points accumulated during the year can blossom into an award, and the lucky forty with the highest number of points have a chance to see a play in New York City.

Senior Privileges

A photograph showing a pair of hands holding a small, dark-furred dog. The dog has its mouth open, showing its teeth. The background consists of a piece of paper with dense, handwritten text in cursive script. The text appears to be a letter or a note, mentioning names like "Mrs. Russell" and "Mr. Russell". The handwriting is somewhat slanted and difficult to decipher fully due to the angle and overlap with the hands and dog. The overall tone of the image is sepia or aged.

ALL ROADS LEAD TO LINA'S

There is a place where we all go
 when life becomes a bore,
 The welcome mat for us is set and
 open is the door.
 The place, of course, is Lina's and
 people everywhere know
 That when you need something to eat,
 Lina's is the place to go.
 There's gum, potato chips, soda and
 candy; or spaghetti in a can,
 And if you can not pay, just use the
 installment plan.
 For money to Lina is no object, she
 cares not what you spend,
 To her it's more important that each
 customer is a friend.
 Lina is always cheerful to those
 who spirits are low;
 She's been that way since she opened
 her door—twenty-five years ago.
 Now she has a place in our lives;
 and a place also in our hearts.
 We will feel a certain emptiness if
 Lina ever departs,
 For there is no one quite like her;
 though you search high and low,
 You'll never find another Lina,
 no matter where you go.
 No matter where our lives take us,
 no matter where we roam:
 Someday we'll come back to Lina's
 our home away from home.

CORTINA—the family size import with the Ford difference. Here's the new 4-door Cortina with the new 64 h.p. 4 cylinder rally-bred sports car type engine and fully synchronized 4-speed transmission. A most comfortable car for five people. Also 2-door.

ANGLIA—Ford's finest lower priced import from England. For those who want all good things in a small package. Comfort! Style! Fun! And economy that's hard to believe. Also available in a smart, capable station wagon.

No matter which you pick—you get Ford's finest from England

Cortina or Anglia—Ford's finest from England—take your choice and get unequalled value in the low price import field!

Cortina is ideal for the family of five with more comfort room and trunk room than any import in its class.

Anglia, at a lower price, is just the ticket where economy is uppermost. A smart car that handles like a baby carriage. A perfect choice for a second car, too.

Let your English Ford Line dealer put you behind the wheel of the one that suits you best. Only then can you know how very much you get for so very little. All fittings U.S. size, of course.

AN OPEN ROAD... OR A DEAD END STREET?

When commencement is over, where do you go from there?

Not too many years ago, a high school education was sufficient for most jobs; college was almost a luxury except for those who planned careers in such fields as medicine and law.

Today, the pattern is entirely different. Advances in technology affect everyone in every business . . . and, frankly, a high school education is seldom enough to equip you to meet the challenge of the present . . . to help you get a job with a future.

What's the answer? More education . . . four-year colleges, junior colleges, community colleges, technical schools, extension courses, anything at all which will increase your knowledge, develop your personal skills.

There are jobs waiting . . . but these jobs call for knowledge and skill. Gen-

eral Electric is just one of the many companies which will have job openings in the years to come for those who can meet job requirements. There are new products, new technologies on today's drawing boards . . . with still others yet to be thought of . . . which will call for people with education, training and ability. The future needs not only men and women to come up with ideas, but also people to put those ideas into practice . . . designers and developers, scientists and salesmen, technicians and teachers . . . people with sufficient education to fill jobs.

Now it's up to you. You may choose the broad highway open to you through more education . . . or wander down the dead end street of lost opportunities. If you keep learning, you'll keep growing . . . growing with our nation in the age of space.

Mrs. Russell:
I'm in the same boat
with Rod. I have my problems
with English mainly I'm lazy.
I hope I didn't drive you to crazy
See you next year.
Donna

Mrs. Russell,

This probably will
sound like the same old story
but no kidding you are a great
person. Not only do you make our
whole English class something to
look forward too rather than
dread, but you're a wonderful
woman. I'll never, ever forget
David Copperfield or Macbeth,
(It's just hope & pray that I do
a little better with the Odyssey)

Father Hanlon^(sp?) never had it
so good at your house, I'll bet. He's
crazy about you, too. You ought to hear
some of his anecdotes!! Well, must go, every-
body else wants to write something.

God bless you,

Mrs. Russell
to one of the best I've
English teachers in
ever had in spite of
your quizes - Remember
your faithful little
corner and all your
"brownies" Good luck,
always

to a teacher who knows how
to teach English and how to enjoy
it at the same time. Maybe I'll
see you next year but not in the
same English class

Bob Buchanan

Mrs. Russell:
I really like this
English class, even though
I can't pass. I hope you have
a long and happy life. I'll see
you next year.
Rod DeGenaro

Mrs. Russell,
 Small seriousness,
 you are the best English
 teacher I've ever had. Many
 teachers do not stimulate thought
 like you do but merely present the
 material because they're paid too.
 Anyway, I hope we're provided you with
 an interesting class (Browns and all). I won't
 comment on the yankies. Practice up your ping-
 pong or you'll get beat. Best wishes always!
 Bob Davis 64-65

Mrs. Russell,
 It has been a
 wonderful and joyful year.
 Wish it would last forever.

 It's been fun

Mrs. Russell
 I have had a lot of
 fun in class because of
 how to read. I hope
 you have fun in your
 future teaching
 Dave Fogel

Mrs. Russell:

I've enjoyed English
very much this year
and I wish I could
have you next year
(I may if I don't pass).
I even enjoyed math
and how you did the
three witches.

Sandy
